If ever there was a day to look and feel your very best - this is it! Advanced planning for your personal care & beauty needs is essential. You'll radiate from within as our team of professionals take special care of you.

75 min. Signature Facial / Classic Manicure / Classic Pedicure / Trial Day Hair & Makeup / Wedding Day Hair & Makeup and add-on lashes

This package includes complimentary choice of our Perfect Sense Paraffin treatment for the softest hands & feet or a complimentary Teeth Whitening session.

With so much to do and think about it's all too easy for the bride-to-be to overlook the importance of scheduling time for herself. For optimum health & beauty we recommend regular maintenance treatments beginning six months prior to your wedding day. Consider scheduling a facial, massage and pedicure every 6 weeks. For natural nails we recommend a manicure every two weeks. And for healthy, beautiful hair it's important to find a stylist you can trust and who understands the look you wish to achieve on your special day.
